

Start Kontakter og velg Legg til konto...

Velg Annen Kontakter-konto... og trykk Fortsett

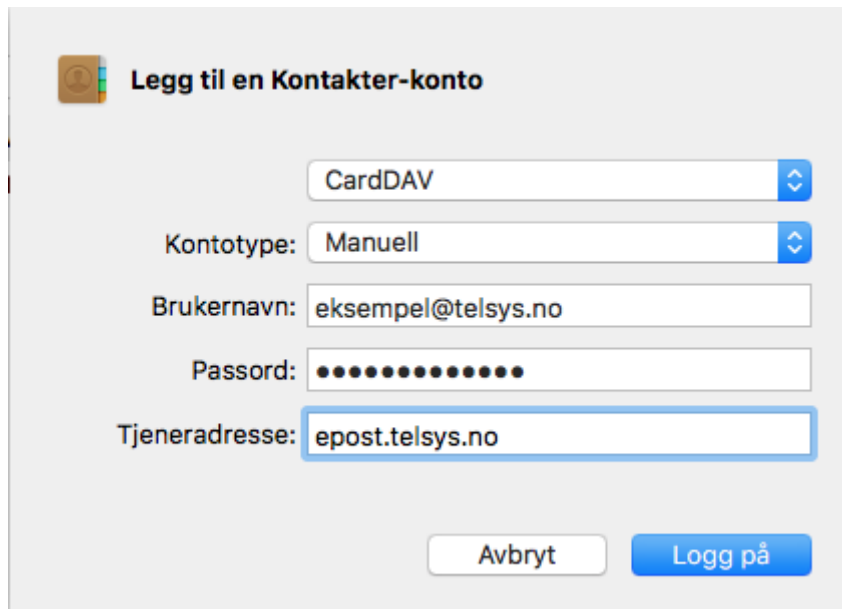

Velg CardDAV

Kontotype: Manuell

Brukernavn: Din e-post

Passord: Ditt passord

Tjeneradresse: epost.telsys.no

The screenshot shows a dialog box titled "Legg til en Kontakter-konto" (Add a Contacts account). It contains several input fields and two buttons at the bottom. The fields are: "Kontotype" (Account type) with a dropdown menu showing "CardDAV"; "Kontotype:" (Account type) with a dropdown menu showing "Manuell"; "Brukernavn:" (Username) with a text field containing "eksempel@telsys.no"; "Passord:" (Password) with a text field containing 12 dots; and "Tjeneradresse:" (Server address) with a text field containing "epost.telsys.no". The "Tjeneradresse:" field is highlighted with a blue border. At the bottom, there are two buttons: "Avbryt" (Cancel) and "Logg på" (Log in).
